I applaud your work, Sir..

in gathering  
data to curb the appetite of media giants  
gobbling up the air waves for their profit  
only.

They have already "dumbed down" much of  
public by presenting only one view in  
public debate.

I submit the laws governing ownership of  
press and radio and TV broadcasting stations  
needs to be more vigorously enforced.

Cordially,

*Jerome Brookman*  
former Publisher/Editor  
SOUND & COMMUNICATIONS magazine
